Cantrell Dam Breach & Watershed Drainage Improvements

2025 Water Trust Board Flood Prevention Project

FUNDING REQUEST \$8,090,000

SCOPE

Construct flood control improvements in the Cantrell Dam watershed, including a breach of the existing dam, storm drain, and enhancement to the flood conveyance network. The goal is to eliminate the risk of dam failure and improve the city's infrastructure.

SUMMARY

The Cantrell Dam Breach & Flood Control Improvements Project builds on a previously funded WTB project (i.e., 5442-WPF). Located near the City of Truth or Consequences in Sierra County, New Mexico, Cantrell Dam was overwhelmed during a July 2020 storm. Homes and communities along the downstream arroyo were inundated with 2-3 feet of stormwater runoff and sediment due to the insufficient capacity of the existing outfall structure. Cantrell Dam's embankment is 400 feet long and 20 feet wide, with a 30-foot wide auxiliary spillway and two 24-inch CMP standpipes as primary outfalls. These structures discharge south, traveling approximately 900 feet to a 10-foot diameter CMP beneath I-25, which outfalls into Cantrell Dam Outfall Arroyo. The arroyo flows south into the Homesites Subdivision, and during the 2020 storm, it overtopped, flooding the Sierra County Fairgrounds, South Broadway Street, park, and sports complex.

The project's design phase is 90% complete and will be finalized in December 2024. The recommended design has been adjusted due to challenges such as property ownership and utility conflicts. Key improvements include the construction of a detention pond, a storm drain system, and upgraded stormwater conveyance infrastructure.

These enhancements will eliminate the risk of dam failure by breaching Cantrell Dam and provide critical flood control for the City of Truth or Consequences and the Village of Williamsburg.

BENEFITS

Eliminates risk of dam failure

Reduces flooding impacts

Protects key community areas

Enhances public safety

[BORROWER'S COUNSEL LETTERHEAD]

FINAL OPINION OF COUNSEL FOR THE BORROWER/GRANTEE

To: New Mexico Finance Authority
810 W. San Mateo Road
Santa Fe, New Mexico 87505

Re: City of Truth or Consequences, Sierra County, New Mexico
\$8,090,000 Loan/Grant No. WPF-6621

Ladies and Gentlemen:

I am an attorney representing the City of Truth or Consequences (the "Borrower/Grantee") in connection with the above-referenced Loan/Grant. I am licensed to practice law and in good standing in the State of New Mexico. I provide this opinion in my role as counsel to the Borrower/Grantee, understanding that the New Mexico Finance Authority (the "Lender/Grantor") is relying on this opinion letter and but for this opinion letter, the Loan/Grant would not be approved.

Capitalized terms used in this Opinion have the same meaning as defined in Resolution No. _____ adopted by the Governing Body of the Borrower/Grantee on December 3, 2025 (the "Resolution") unless otherwise defined in this Opinion or the context requires otherwise.

I hereby certify that I have examined:

- (1) The City of Truth or Consequences Water Project Fund Application dated September 4, 2024 and January 21, 2025, the New Mexico Water Trust Board Approval dated April 22, 2025, and the NMFA Board Approval dated May 22, 2025 for Loan/Grant No. WPF-6621 (the "Application" and the "Approval," respectively), relating to the Project.
- (2) The statutes creating or authorizing the creation of the Borrower/Grantee and documents creating the Borrower/Grantee.
- (3) The Annual Open Meetings Act Resolution(s) of the Borrower/Grantee in effect on December 3, 2025 and on January 16, 2026.
- (4) The proceedings of the Governing Body (including all agendas, minutes, resolutions, ordinances and publications) which authorize the Loan/Grant application, the Project development, the budget for the Project, and the contracts with the various Project professionals including but not limited to architects, engineers, planners and contractors.
- (5) Proceedings of the Borrower/Grantee from the date of the Application to the date of this Opinion, including, without limiting the generality of the foregoing, the action of the Borrower/Grantee relating to (a) the selection of its Mayor, City Commission, and City Clerk-Treasurer; (b) the adoption of the Borrower/Grantee's Annual Open

Meetings Act Resolution or resolutions; (c) the adoption of ordinances or resolutions governing the operation of the Project; (d) the plans and specifications for the Project; (e) cost estimates for the Project; (f) the adoption of ordinances, resolutions and regulations for the furnishing of service to customers; (g) the proposed operating budget for services to be provided, in whole or in part, in connection with the Project; (h) the proposal to finance the Project, in whole or in part, with a Loan/Grant made by the Water Trust Board, acting through the NMFA; (i) the Resolution authorizing the Authorized Officers to execute necessary documents to obtain the Loan/Grant for the Project; (j) all necessary approvals for the Project from federal, State or local authorities; and (k) the execution and delivery of the Loan/Grant Agreement evidencing the Loan/Grant.

- (6) The Resolution and the Loan/Grant Agreement providing that the Lender/Grantor on behalf of the Borrower/Grantee shall maintain a book Project Account on behalf of the Borrower/Grantee and shall cause the disbursement of the Loan/Grant Amount as provided in Article IV of the Loan/Grant Agreement.
- (7) The records and files of all offices in which there might be recorded, filed, or indexed, any liens of any nature whatsoever, affecting the title to any real property to be acquired with the Loan/Grant proceeds, or on which will be located any Project property to be acquired with the Loan/Grant proceeds.
- (8) The Borrower/Grantee's Ordinance No. 389 as amended by Ordinance No. 472 with an effective date of July 1, 1992 which imposes the one-eighth of one percent (0.125%) increment of the Municipal Gross Receipts Tax, which taxes have been dearmarked and are now enforceable under NMSA 1978, § 7-19D-9 (the "Tax Ordinance").

Based upon my examination of the foregoing, it is my opinion that:

- A. The Borrower/Grantee is a duly organized and existing municipality under the laws of the State of New Mexico.
- B. The ordinances, resolutions, rules and regulations governing the operation of the Project have been duly adopted and are now in full force and effect.
- C. The Authorized Officers of the Borrower/Grantee were duly and validly elected or appointed and are empowered to act for the Borrower/Grantee.
- D. The Borrower/Grantee has full legal right and authority:
 - (1) to design, acquire, construct, install and complete the Project;
 - (2) to execute and deliver Loan/Grant documents including those identified above;
 - (3) to perform all acts required by such Loan/Grant documents to be done by it; and
 - (4) to own, operate and maintain the Project during its Useful Life.

- E. All proceedings of the Borrower/Grantee, its elected and appointed officers, and employees, required or necessary to be taken in connection with the authorization of the actions specified above have been duly taken and all such authorizations are presently in full force and effect.
- F. The Resolution has been duly signed and adopted in accordance with all applicable laws and has not been repealed, rescinded, revoked, modified, amended or supplemented in any manner except as set forth in the Resolution. The Resolution constitutes valid and sufficient legal authority for the Borrower/Grantee to carry out and enforce the provisions of the Loan/Grant Agreement.
- G. The Resolution is a valid and binding special limited obligation of the Borrower/Grantee enforceable in accordance with its terms and creates the pledge of the revenues of the Tax Ordinance of the Borrower/Grantee, as described in the Loan/Grant Agreement (the "Pledged Revenues") which it purports to create.
- H. The Loan/Grant Agreement is a valid and binding special, limited obligation of the Borrower/Grantee, enforceable in accordance with its terms and provisions and the terms and provisions of the Resolution.
- I. No event will result from the execution and delivery of the Loan/Grant Agreement that constitutes a default or an event of default under either the Loan/Grant Agreement or the Resolution, and no event of default and no default under the Loan/Grant Agreement or the Resolution has occurred and is continuing on the date of this Opinion.
- J. The Borrower/Grantee has duly authorized and approved the consummation by it of all transactions, and has complied with all requirements and satisfied all conditions, which are required by the Loan/Grant Agreement to have been authorized, approved, performed or consummated by the Borrower/Grantee at or prior to the date of this Opinion. The Borrower/Grantee has full legal right, power and authority to carry out and consummate the transactions contemplated by the Resolution and the Loan/Grant Agreement.
- K. All approvals, consents and orders of any governmental authority having jurisdiction in the matter which would constitute a condition precedent to the enforceability of the Loan/Grant Agreement or any of the actions required to be taken by the Resolution or the Loan/Grant Agreement to the date of this Opinion have been obtained and are in full force and effect.
- L. Neither the Borrower/Grantee's adoption of the Resolution nor any action contemplated by or pursuant to the Resolution or the Loan/Grant Agreement does or will conflict with, or constitutes a breach by the Borrower/Grantee of, or default by the Borrower/Grantee under any law, court decree or order, governmental regulation, rule or order, ordinance, resolution, agreement, indenture, mortgage or other instrument to which the Borrower/Grantee is subject or by which it is bound.
- M. There is no actual or threatened action, suit, proceeding, inquiry or investigation against the Borrower/Grantee, at law or in equity, by or before any court, public board or body, nor to my knowledge, is there any basis therefore, affecting the existence of the Borrower/Grantee or the titles of its officials to their respective offices, or in any way

materially adversely affecting or questioning (a) the territorial jurisdiction of the Borrower/Grantee, (b) the use of the proceeds of the Loan/Grant Agreement for the Project and to pay certain costs of the Lender/Grantor and the Water Trust Board associated with the administration of the Water Project Fund, (c) the validity or enforceability of the Loan/Grant Agreement or any proceedings of the Borrower/Grantee with respect to the Resolution or the Loan/Grant Agreement, (d) the execution and delivery of the Loan/Grant Agreement, (e) the authority of the Borrower/Grantee to repay the Loan Amount, or (f) the power of the Borrower/Grantee to carry out the transactions contemplated by the Resolution and the Loan/Grant Agreement.

- N. There are no recorded liens of any nature whatsoever affecting the title to any real property upon which the Project will be located.
- O. The Borrower/Grantee has proper title, easement and rights of way to the property upon or through which the Project is to be designed and constructed.
- P. No legal proceedings have been instituted or are pending, and to my knowledge none are threatened, whether or not the Borrower/Grantee is named as a party in such proceedings, which would affect the Borrower/Grantee's interest in the real property upon which the Project will be located, and there are no judgments against the Borrower/Grantee or liens against any property of the Borrower/Grantee that would impair the Borrower/Grantee's ability to complete the Project.
- Q. The Borrower/Grantee has acquired all of the necessary land rights, easements and rights-of-way for the Project and the Borrower/Grantee now has sufficient, adequate and continuous rights-of-way to permit the design, construction, installation, operation and maintenance of the Project.
- R. The Tax Ordinance has been duly signed and adopted in accordance with all applicable laws and has not been repealed, rescinded, revoked, modified, amended or supplemented in any manner except as noted herein.

Dated this 16th day of January, 2026.

WHEREAS, the Municipal Infrastructure Gross Receipts Tax imposed by the Tax Ordinance is no longer identifiable as the one-eighth of one percent (0.125%) increment of Municipal Infrastructure Gross Receipts Tax, and instead comprises one-eighth of one percent (0.125%) of the maximum rate of Municipal Gross Receipts Tax that may be imposed under Section 7-19D-9, NMSA 1978, as amended, of two and one-half percent (2.50%), which is pledged to the Loan;

REPRESENTATIONS, COVENANTS AND WARRANTIES

Section 2.1 Representations, Covenants and Warranties of the Borrower/Grantee: The Borrower/Grantee represents, covenants and warrants for the benefit of the NMFA as follows:

(a) Binding Nature of Covenants; Enforceability. All representations, covenants, stipulations, obligations and agreements of the Borrower/Grantee contained in this Agreement shall be deemed to be the representations, covenants, stipulations, obligations and agreements of the Borrower/Grantee to the full extent authorized or permitted by law, and such representations, covenants, stipulations, obligations and agreements shall be binding upon the Borrower/Grantee and its successors and enforceable in accordance with their terms, and upon any board or body to which any powers or duties affecting such representations, covenants, stipulations, obligations and agreements shall be transferred by or in accordance with law. Except as otherwise provided in this Agreement, all rights, powers and privileges conferred and duties and liabilities imposed upon the Borrower/Grantee by the provisions of this Agreement and the Resolution shall be exercised or performed by the Borrower/Grantee or by such members, officers, or officials of the Borrower/Grantee as may be required by law to exercise such powers and to perform such duties.

(b) Authorization of Agreement. The Borrower/Grantee is a qualifying entity as defined in the Act and the Board Rules. Pursuant to the laws of the State and in particular, the laws governing its creation and existence, as amended and supplemented from time to time, the Borrower/Grantee is authorized to enter into the transactions contemplated by this Agreement and to carry out its obligations hereunder. The Borrower/Grantee has duly authorized and approved its acceptance of the Loan/Grant and the execution and delivery of this Agreement and the other documents related to the transaction described in this Agreement, and this Agreement and the other documents related to the transaction to which the Borrower/Grantee is a party constitute legal, valid and binding special obligations of the Borrower/Grantee enforceable against the Borrower/Grantee in accordance with their respective terms.

(c) Nature and Use of Agreement Proceeds. The Borrower/Grantee acknowledges that the distribution of the Loan/Grant Amount shall be deemed to be a distribution to the Borrower/Grantee of proceeds representing the Loan Amount and the Grant Amount on a *pro rata* basis from the maximum Loan Amount and Grant Amount. The Borrower/Grantee shall apply the proceeds of the Loan/Grant solely to Eligible Items that will facilitate the completion of the Project, and shall not use the Loan/Grant proceeds for any other purpose. The Loan/Grant

Amount, together with the Additional Funding Amount and other moneys reasonably expected to be available to the Borrower/Grantee, is sufficient to complete the Project in its entirety.

(d) Payment of Loan Amount. The Borrower/Grantee shall promptly pay the Loan Amount and Administrative Fee as provided in this Agreement, except when a Hardship Waiver is obtained pursuant to Section 5(a)(iii) of this Agreement. The Loan and Administrative Fee shall be payable solely from Pledged Revenues and nothing in this Agreement shall be construed as obligating the Borrower/Grantee to make the Loan Payments and to pay the Administrative Fee from any general or other fund of the Borrower/Grantee other than the Pledged Revenues; however, nothing in this Agreement shall be construed as prohibiting the Borrower/Grantee, in its sole and absolute discretion, from making such payments from any moneys which may be lawfully used, and which are legally available, for that purpose.

(e) Scope of Project; Completion of Project; Compliance with Laws. The Project is for flood prevention. The Loan/Grant Amount will be used only for Eligible Items necessary to complete the Project. The Project is more particularly described in the Term Sheet. The Project will be completed with all practical dispatch and will be completed, operated and maintained so as to comply with all applicable federal, state and local laws, ordinances, resolutions and regulations and all current and future orders of all courts having jurisdiction over the Borrower/Grantee relating to the acquisition, operation, maintenance and completion of the Project and to the use of the Loan/Grant proceeds.

(f) Necessity of Project. The completion and operation of the Project under the terms and Conditions provided in this Agreement are necessary, convenient, and in furtherance of the governmental purposes of the Borrower/Grantee and are in the best interest of the Borrower/Grantee and the public it serves.

(g) Lien. The Loan Payments constitute an irrevocable lien on the distribution on the Pledged Revenues, the priority of which is consistent with that shown on the Term Sheet.

(h) Agreement Term Not Less than Useful Life. The Agreement Term is not less than the Useful Life of the Project, as required by NMSA 1978, § 72-4A-7, as amended, of the Act.

(i) Amount of Agreement. The sum of the Grant Amount, the Loan Amount, and the Additional Funding Amount (and as set forth on the Term Sheet) does not exceed the cost of the Project.

(j) No Breach or Default Caused by Agreement. Neither the execution and delivery of this Agreement and the other documents related to the transaction, nor the fulfillment of or compliance with the terms and conditions in this Agreement and the other documents related to the transaction, nor the consummation of the transactions contemplated herein and therein, conflicts with or results in a breach of terms, conditions or provisions of any restriction or any agreement or instrument to which the Borrower/Grantee is a party or by which the Borrower/Grantee is bound or any laws, ordinances, governmental rules or regulations or court or

other governmental orders to which the Borrower/Grantee or its properties are subject, or constitutes a default under any of the foregoing.

(k) Irrevocable Enactments. While this Agreement remains outstanding and unpaid, any ordinance, resolution or other enactment of the Governing Body applying the Pledged Revenues for the payment of this Agreement, including the Resolution shall be irrevocable until the Project has been fully acquired and completed, and the Loan Amount, including all principal and interest has been repaid, or provision made for payment thereof, and shall not be subject to amendment or modification in any manner which would result in any use of the proceeds of this Agreement in a manner not permitted or contemplated by the terms hereof. The Borrower/Grantee shall not impair the rights of the NMFA or of any holders of bonds or other obligations payable from the Pledged Revenues while this Agreement is outstanding.

(l) No Litigation. To the knowledge of the Borrower/Grantee, no litigation or proceeding is pending or threatened against the Borrower/Grantee or any other person affecting the right of the Borrower/Grantee to execute or deliver this Agreement and the other documents related to the transaction or to comply with its obligations under this Agreement and the other documents related to the transaction. Neither the execution and delivery of this Agreement and the other documents related to the transaction by the Borrower/Grantee nor compliance by the Borrower/Grantee with the obligations under this Agreement and the other documents related to the transaction, requires the approval of any regulatory body, or any other entity, which approval has not been obtained or which is not reasonably expected to be obtained.

(m) No Event of Default. No event has occurred and no condition exists which, with the giving of notice or the passage of time or upon the execution and delivery of this Agreement and the other documents related to the transaction, would constitute an Event of Default on the part of the Borrower/Grantee under this Agreement and the other documents related to the transaction.

(n) Pledged Revenues Not Budgeted; Pledged Tax Revenues Covenants. The portion of the Pledged Revenues necessary to pay the Loan Payments, as and when due, is not needed or budgeted to pay current or anticipated expenses of the Borrower/Grantee. Pursuant to NMSA 1978, § 7-1-6.4, as amended, and NMSA 1978, § 7-1-6.15, as amended, the State collects gross receipts taxes from business locations within the Borrower/Grantee, on land owned by the State within the exterior boundaries of the Borrower/Grantee, and outside the exterior boundaries of the Borrower/Grantee on land owned by the Borrower/Grantee, and distributes each month to the Borrower/Grantee the revenues of the Tax Ordinance which distributions the Borrower/Grantee pledges and covenants for the performance of its obligations under this Agreement.

(o) Expected Coverage Ratio. The Pledged Revenues are reasonably expected to equal or exceed—from the Fiscal Year in which the Closing Date occurs and, on an ongoing basis during each Fiscal Year of the Agreement Term—one hundred percent (100%) of the maximum annual principal and interest due on all outstanding obligations of the Borrower/Grantee payable from the Pledged Revenues.

(p) Right to Inspect. The NMFA shall have the right to inspect at all reasonable times all records, accounts and data relating to the Project and to inspect the Project and all properties comprising the Project, and the Borrower/Grantee shall supply such records, accounts, and data as are requested by the NMFA, within thirty (30) days of receipt of such request, written or oral.

(q) Financial Capability; Budgeting of Pledged Revenues. The Borrower/Grantee meets and will meet during the Agreement Term the requirements of financial capability set by the Water Trust Board and the NMFA. The Pledged Revenues will be sufficient to make the Loan Payments, as and when due. The Borrower/Grantee will adequately budget for the Loan Payments and other amounts payable by the Borrower/Grantee under this Agreement.

(r) Borrower/Grantee's Existence. The Borrower/Grantee will maintain its legal identity and existence so long as this Agreement remains outstanding unless another political subdivision, State agency, or other entity by operation of law succeeds to the liabilities, rights and duties of the Borrower/Grantee under this Agreement without adversely affecting to any substantial degree the privileges and rights of the Lender/Grantor.

(s) Use of Project; Continuing Covenant. During the Agreement Term, the Borrower/Grantee will at all times use the Project for the benefit of the Borrower/Grantee and the public it serves. The Borrower/Grantee shall not sell, lease, mortgage, pledge, relocate or otherwise dispose of or transfer the Project, or any part of the Project so long as this Agreement is outstanding; provided, however, that if the Project is a joint project of the Borrower/Grantee and other qualifying entities (as defined by the Act), the Borrower/Grantee and the other qualifying entities may, with the express written approval of the NMFA and not otherwise, enter into an agreement allocating ownership and operational and maintenance responsibilities for the Project during the term of the Agreement. Any such agreement shall provide that the Lender/Grantor, or either of them, shall have the power to enforce the terms of this Agreement, without qualification, as to each and every qualifying entity (as defined by the Act) other than the Borrower/Grantee, owning or operating any portion of the Project during the term of the Agreement. The Borrower/Grantee will operate and maintain the Project, so that it will function properly over its Useful Life.

(t) Title and Rights of Way. As required by NMSA 1978, § 72-4A-7(A)(3) of the Act, as amended, and the Board Rules, the Borrower/Grantee shall provide written assurance signed by an attorney or provide a title insurance policy ensuring that the Borrower/Grantee has proper title to, easements, rights of way or use permits on the real property upon or through which the Project is being constructed, located, completed or extended, and if any portion of the Project will be conducted and completed on real property owned by a qualifying entity (as defined by the Act) other than the Borrower/Grantee, such other qualifying entity has title to such real property, and the Borrower/Grantee shall provide written assurance signed by an attorney or provide a title insurance policy ensuring that such other qualifying entity has proper title to such real property.

(u) Additional Funding Amount. Together with the Loan/Grant Amount and other amounts available to the Borrower/Grantee, the Additional Funding Amount is now available to the Borrower/Grantee, and in combination with the Loan/Grant Amount, will be sufficient to

complete the Project. If any other additional expenses are incurred, the Borrower/Grantee shall be responsible for payment of such expenses.

(v) Audit Requirement. During the Agreement Term the Borrower/Grantee shall comply with the requirements of the State Audit Act, NMSA 1978, §§ 12-6-1 through 12-6-14, as amended. Upon request by the NMFA, the Borrower/Grantee shall provide the NMFA a copy of any review or audit, report of agreed upon procedures, or any other document prepared pursuant to or required by the State Audit Act.

(w) Reserved.

(x) Records. So long as the Agreement remains outstanding, proper books of record and account will be kept by the Borrower/Grantee in accordance with Generally Accepted Accounting Principles, separate from all other records and accounts, showing complete and correct entries of all transactions relating to the Project.

(y) Competent Management. The Borrower/Grantee shall employ or contract for experienced and competent personnel to manage the Project.

(z) Readiness Requirements. The Borrower/Grantee has met the requirements of Executive Order 2013-006 and it has met or will meet prior to the first disbursement of any portion of the Loan/Grant Amount, the Conditions and the readiness to proceed requirements established for the Loan/Grant by the NMFA and the Water Trust Board.

(aa) Other Liens. Other than as provided in the Term Sheet, there are no liens or encumbrances of any nature, whatsoever, on or against the Pledged Revenues.

(bb) NMFA Written Consent to Additional Loans. The Borrower/Grantee shall obtain the written consent of the NMFA prior to the issuance of additional Senior Obligations or Parity Obligations unless such Senior or Parity Obligation has been issued by the NMFA.

Section 2.2 Representations and Warranties of the NMFA. The NMFA represents as follows:

(a) Authorization of Agreement. The NMFA is a public body politic and corporate separate and apart from the State, constituting a governmental instrumentality, and has all necessary power and authority to enter into and perform and observe the covenants and agreements on its part contained in this Agreement and, by proper action, has duly authorized the execution and delivery of this Agreement.

(b) Legal, Valid and Binding Obligation. This Agreement constitutes a legal, valid and binding obligation of the NMFA enforceable in accordance with its terms.

(b) The Borrower/Grantee shall have provided written assurance addressed to the NMFA and signed by an attorney (or shall have provided a title insurance policy) that the Borrower/Grantee has proper title to or easements, rights of way, or permits on the real property upon or through which the Project is being constructed, located, completed or extended; and

(c) If any portion of the Project will be constructed, located, completed or extended on real property owned by a qualifying entity (as defined by the Act) other than the Borrower/Grantee, the Borrower/Grantee shall have provided written assurance addressed to the NMFA and signed by an attorney (or shall have provided a title insurance policy) that such other qualifying entity has proper title to such real property; and

(d) Prior to the disbursement of any portion of the Loan/Grant Amount for purposes of construction of the Project, the plans and specifications funded with the proceeds of this Agreement will be approved by the NMFA or on behalf of the NMFA as required by NMSA 1978, § 72-4A-7(B), as amended, by the New Mexico Environment Department and the Office of the State of Engineer, and the Borrower/Grantee shall have provided written evidence of such approval to the NMFA; and

(e) Except as otherwise expressly provided in the Conditions, the Borrower/Grantee shall have certified to the Lender/Grantor that the Additional Funding Amount is available for the Project, and, in addition, shall have provided additional evidence reasonably acceptable to the Lender/Grantor of the availability of the Additional Funding Amount; and

(f) The Borrower/Grantee shall be in compliance with the provisions of this Agreement.

(g) Notwithstanding anything in this Agreement to the contrary, the NMFA shall not be obligated to execute the Agreement and may not make the Loan/Grant until the Borrower/Grantee has provided to the NMFA the documents listed on Exhibit "F" attached hereto, all of which must be in form and content acceptable to the NMFA.

Section 4.2 Determination of Eligibility Is Condition Precedent to Disbursement. No request for payment shall be made, nor shall any disbursement be made from the Water Project Fund, for any requisition of any portion of the Loan/Grant Amount, except upon a determination by the NMFA in its sole and absolute discretion that such disbursement is for payment of Eligible Items, and that the request for payment or disbursement does not exceed any limitation upon the amount payable for any Eligible Item pursuant to the Act, the Board Rules, and the Policies

governing the Water Project Fund. The NMFA, as a condition precedent to submitting any request for payment to the State Board of Finance or making any requested disbursement from the Water Project Fund, may require submittal of such documentation as the NMFA deems necessary, in its sole and absolute discretion, for a determination whether any requested disbursement is for payment of Eligible Items and is fully consistent with the Act, the Board Rules, and the Policies, as applicable.

ARTICLE V

LOAN TO THE BORROWER/GRANTEE; GRANT TO THE BORROWER/GRANTEE; APPLICATION OF MONEYS

Section 5.1 Loan and Grant to the Borrower/Grantee.

(a) Loan to the Borrower/Grantee. The Lender/Grantor hereby lends to the Borrower/Grantee and the Borrower/Grantee hereby borrows from and agrees to pay to the order of the Lender/Grantor, without interest, an amount equal to the Loan Amount, with the principal amount of the Loan Amount being payable as provided by Article VI and Exhibit "B" of this Agreement.

(i) Subordinate Nature of Loan Amount and Administrative Fee Obligation. The obligation of the Borrower/Grantee to make the Loan Payments and to pay the Administrative Fee shall be subordinate to all other indebtedness secured by the Pledged Revenues existing on the Closing Date and, further, that may in the future be secured by the Pledged Revenues; except, however, that the obligation of the Borrower/Grantee to make the Loan Payments and to pay the Administrative Fee shall be on parity with any other obligation, present or future, of the Borrower/Grantee to repay a loan provided by the Lender/Grantor pursuant to the Act or the Colonias Infrastructure Act.

(ii) Administrative Fee. The Borrower/Grantee shall, on an annual basis beginning on the first payment date following the completion of the Project or exhaustion of all Loan/Grant Amounts as set out in Section 5.3 hereof, pay to the Lender/Grantor the Administrative Fee, taking into account both payments made by the Borrower/Grantee and Hardship Waivers granted to the Borrower/Grantee as provided by this Agreement. Any such Administrative Fee payment shall be due irrespective of whether or not a Hardship Waiver is granted to the Borrower/Grantee for the principal payment otherwise due on June 1 of the applicable year or any other year.

(iii) Hardship Waivers of Payment. Each year while any portion of the Loan Amount remains outstanding, no later than April 1 of each such year, the Borrower/Grantee may apply in writing to the NMFA for a determination of whether the annual principal payment on the Loan Amount otherwise due on the upcoming June 1 of such year should be forgiven because such payment would cause undue hardship for the Borrower/Grantee or the public it serves. The Borrower/Grantee shall submit such application to the NMFA for determination with sufficient documentation of the existence of such undue hardship as is reasonably required by the NMFA to make a determination, and the Borrower/Grantee shall promptly respond to additional requests for information from the NMFA. Such application for Hardship Waiver shall be executed by the Authorized Officers of the Borrower/Grantee. An "undue hardship" exists if the NMFA

determines that the Borrower/Grantee is facing unforeseen events or an emergency that has caused the Borrower/Grantee to be unable to pay on a timely basis the annual principal payment on the Loan Amount. The NMFA may consult the Department of Finance and Administration in determining whether to grant the Hardship Waiver. The NMFA shall make a determination no later than May 15 of the applicable year, and the NMFA shall promptly communicate to the Borrower/Grantee in writing the results of its determination. Upon receipt of written notice of the determination, either the principal payment otherwise due on June 1 of such year shall be forgiven (in the event of a determination of undue hardship) or the principal payment shall remain outstanding and due and payable on June 1 (in the event no undue hardship is determined to exist).

(b) Grant and Acceptance. The Lender/Grantor hereby grants to the Borrower/Grantee and the Borrower/Grantee hereby accepts from the Lender/Grantor an amount equal to the Grant Amount.

(c) Project Account. The NMFA shall establish and maintain the Project Account as a book account only, on behalf of the Borrower/Grantee, which account shall be kept separate and apart from all other accounts of the NMFA.

(d) Constitutional and Statutory Debt Limitations. No provision of this Agreement shall be construed or interpreted as creating a general obligation or other indebtedness of the Water Trust Board, the NMFA, the State or the Borrower/Grantee within the meaning of any constitutional or statutory debt limitation.

Section 5.2 Application of Loan/Grant Amount. Following the determination by the NMFA in its sole and absolute discretion that the Conditions to the disbursement of the Loan/Grant Amount have been satisfied, the NMFA shall make an entry in its accounts, and in particular in the Project Account, reflecting the proceeds of the Loan/Grant Amount made available for disbursement from the Water Project Fund to the Borrower/Grantee at its request, and as needed by it to acquire and complete the Project, as provided in Section 7.2 of this Agreement.

Section 5.3 Final Requisition. The Final Requisition shall be submitted by the Borrower/Grantee within the Interim Period. The Interim Period may be extended only as approved in writing by an Authorized Officer of the NMFA, based on the Borrower/Grantee's demonstration, to the reasonable satisfaction of the Authorized Officer of the NMFA, that unanticipated circumstances beyond the control of the Borrower/Grantee resulted in delaying the acquisition and completion of the Project, and submission of the Borrower/Grantee's Final Requisition.

Section 5.4 Investment of Monies. Money in the Water Project Fund, representing proceeds of this Agreement, held and administered by the NMFA, may be invested by the NMFA for the credit of the Water Project Fund.

ARTICLE VI

LOAN PAYMENTS BY THE BORROWER/GRANTEE

Section 6.1 Loan to the Borrower/Grantee; Payment Obligations Limited to Pledged Revenues; Pledge of Pledged Revenues. The NMFA hereby lends to the Borrower/Grantee and

the Borrower/Grantee hereby borrows from the NMFA an amount not to exceed the Loan Amount. The Borrower/Grantee promises to pay, but solely from the sources pledged herein, the Loan Payments and the Administrative Fees and other amounts owed by the Borrower/Grantee as herein provided. Subject to any outstanding Parity Obligations and Senior Obligations, the Borrower/Grantee does hereby grant a lien on and a security interest in and does hereby convey, assign and pledge unto the NMFA and unto its successors in trust forever all right, title and interest of the Borrower/Grantee in and to (i) the Pledged Revenues to the extent required to pay the Loan Payments, and to pay the Administrative Fees and other amounts owed by the Borrower/Grantee as herein provided, subject to and subordinate to all other pledges of the Pledged Revenues existing on the Closing Date and, further, that may exist in the future (except only that the pledge of the Pledged Revenues herein shall be on a parity with any other pledge of the Pledged Revenues by the Borrower/Grantee to repay any obligations issued by the Lender/Grantor pursuant to the Act or the Colonias Infrastructure Act); (ii) the Loan/Grant Amount including the Project Account; and (iii) all other rights hereinafter granted, for the securing of the Borrower/Grantee's obligations under this Agreement, including payment of the Loan Payments, Administrative Fees and other amounts owed by the Borrower/Grantee as herein provided, however, that if the Borrower/Grantee, its successors or assigns, shall pay, or cause to be paid, all Loan Payments and Administrative Fees at the time and in the manner contemplated by this Agreement, or shall provide as permitted by Section 6.5 of this Agreement for the payment thereof, and shall pay all other amounts due or to become due under this Agreement in accordance with its terms and provisions then, upon such final payment, this Agreement and the rights created thereby shall terminate; otherwise, this Agreement shall remain in full force and effect.

The schedule of Loan Payments, assuming the disbursement of the entire Loan/Grant Amount within twenty-four (24) months after the Closing Date, identified as the Interim Debt Service Schedule, is attached to this Agreement as Exhibit "B". Within thirty (30) days after the Final Requisition is made, the NMFA shall provide a Final Debt Service Schedule, reflecting the amount of the Loan/Grant Amount actually disbursed to the Borrower/Grantee pursuant to this Agreement. Such Final Debt Service Schedule shall supersede the schedule attached hereto as Exhibit "B". The NMFA shall additionally calculate the amount of the Administrative Fee that has accumulated during that twenty-four (24) month period from the Closing Date, and shall include such amount in the first Loan Payment due from the Borrower/Grantee on the Final Debt Service Schedule.

The pledge of the Pledged Revenues and the lien thereon shall be effective upon the Closing Date. The Borrower/Grantee and the NMFA acknowledge and agree that the obligations of the Borrower/Grantee hereunder are limited to the Pledged Revenues; and that this Agreement with respect to the Loan Amount, the Administrative Fee and other amounts owed by the Borrower/Grantee as herein provided, and that the Agreement shall constitute a special, limited obligation of the Borrower/Grantee. No provision of this Agreement shall be construed or interpreted as creating a general obligation or other indebtedness of the Borrower/Grantee or the State within the meaning of any constitutional or statutory debt limitation. No provision of this Agreement shall be construed to pledge or to create a lien on any class or source of Borrower/Grantee moneys other than the Pledged Revenues, nor shall any provision of this Agreement restrict the future issuance of any bonds or obligations payable from any class or source of Borrower/Grantee moneys other than the Pledged Revenues. In addition, to the extent not required for the payment of obligations of the Borrower/Grantee hereunder, the Pledged Revenues may be utilized by the Borrower/Grantee for any other purposes permitted by law.

Section 6.2 Deposit of Payments of Loan Amount to Water Project Fund. All Loan Payments made by the Borrower/Grantee to the NMFA to repay the Loan Amount and interest thereon, if any, shall be deposited into the Water Project Fund.

Section 6.3 Manner of Payment. The Loan Amount and Administrative Fee shall be payable by the Borrower/Grantee to the Lender/Grantor in annual installments on June 1 beginning after expiration of the Interim Period and continuing through the expiration of the last Loan Payment due as outlined in the Final Debt Service Schedule. All payments of the Borrower/Grantee hereunder shall be paid in lawful money of the United States of America to the NMFA at the address designated in Section 11.1 of this Agreement. The obligation of the Borrower/Grantee to make payments hereunder, from and to the extent of the available Pledged Revenues, shall be absolute and unconditional in all events, except as expressly provided hereunder. Notwithstanding any dispute between the Borrower/Grantee and the NMFA, any vendor or any other person, the Borrower/Grantee shall make all deposits hereunder, from and to the extent of the available Pledged Revenues, when due and shall not withhold any deposit hereunder pending final resolution of such dispute, nor shall the Borrower/Grantee assert any right of set-off or counterclaim against its obligation to make such deposits required hereunder.

Section 6.4 Borrower/Grantee May Budget for Payments. The Borrower/Grantee may, in its sole discretion, but without obligation and subject to the Constitution of the State, governing laws, and its budgetary requirements, make available properly budgeted and legally available funds to make the Loan Payments and other amounts owed by the Borrower/Grantee hereunder; provided, however, the Borrower/Grantee has not covenanted and cannot covenant to make such funds available and has not pledged any of such funds for such purpose.

Section 6.5 No Penalty for Prepayment of the Loan Amount. The Loan Amount shall be pre-payable by the Borrower/Grantee at the conclusion of the Interim Period without penalty.

Section 6.6 Lender/Grantor's Release of Lien and Further Assurances. Upon payment in full of the Loan Amount, Administrative Fee and other amounts owed by the Borrower/Grantee as herein provided in this Agreement and upon written request from the Borrower/Grantee the Lender/Grantor agrees to execute a release of lien and to give such further assurances as are reasonably necessary to ensure that the Lender/Grantor no longer holds or maintains any lien or claim against the Pledged Revenues.

ARTICLE VII THE PROJECT

Section 7.1 Agreement to Acquire, Complete and Maintain the Project.

(a) The Borrower/Grantee hereby agrees that in order to effectuate the purposes of this Agreement and to acquire and complete the Project it shall take such steps as are necessary and appropriate to acquire, complete, operate and maintain the Project lawfully and efficiently. The Project shall be constructed and completed substantially in accordance with the approved plans and specifications, and shall fully incorporate the available technologies and operational design for water use efficiency described in the approved plans and specifications. No Loan/Grant funds shall be used for items not constituting Eligible Items.

(b) As provided by NMSA 1978, § 72-4A-7(A)(1), as amended, of the Act, the Borrower/Grantee shall operate and maintain the Project in good operating condition and repair at all times during the Useful Life of the Project, so that the Project will function properly over the Useful Life of the Project; provided, that if any portion of the Project will be constructed, located, completed, installed or extended on real property owned by a qualifying entity (as defined by the Act) other than the Borrower/Grantee, the Borrower/Grantee may, prior to any use of the Loan/Grant funds for the Project on such real property, obtain the written agreement of such other qualifying entity to perform these obligations with respect to such real property (and the portion of the Project to be constructed, located, completed or extended on such real property), which written agreement shall be subject to approval by the Lender/Grantor and shall include an express statement by such other qualifying entity that the Lender/Grantor is a third party beneficiary of such written agreement.

Section 7.2 Accounting for Amounts Credited to the Project Account. So long as no Event of Default shall occur and provided that all Conditions to the disbursement of the Loan/Grant Amount have been satisfied (including approval of the plans and specifications), upon receipt by the NMFA of a requisition substantially in the form of Exhibit "C" attached hereto signed by an Authorized Officer of the Borrower/Grantee, supported by certification by the Borrower/Grantee's project architect, engineer, or such other authorized representative of the Borrower/Grantee that the amount of the disbursement request represents the progress of design, construction, acquisition or other Project-related activities accomplished as of the date of the disbursement request, the NMFA shall, in its sole and absolute discretion: (1) submit a request for payment to the State Board of Finance for payment; and/or (2) disburse from the Water Project Fund, amounts which together are sufficient to pay the requisition in full. The NMFA shall make the appropriate entry in the Project Account reflecting the amount of the payment. The certification provided pursuant to this Section 7.2 in support of the requisition must be acceptable in form and substance to the NMFA and, at its request, the Water Trust Board. The Borrower/Grantee shall provide such records or access to the Project as the NMFA, and, at its request, the Water Trust Board, in the discretion of each, may request in connection with the approval of the Borrower/Grantee's requisition requests made hereunder.

Section 7.3 No Disbursement for Prior Expenditures Except upon Approval. No disbursement shall be made from the Water Project Fund of the Loan/Grant Amount, or any portion thereof, without the written approval of the NMFA and, at its request, the Water Trust Board, to reimburse any expenditure made prior to the Closing Date.

Section 7.4 Borrower/Grantee Reporting to Lender/Grantor. During the acquisition implementation, installation and construction of the Project, the Borrower/Grantee shall provide the Lender/Grantor with a quarterly written report executed by an Authorized Officer of the Borrower/Grantee, in the form attached as Exhibit "D" hereto or in another form reasonably acceptable to the Lender/Grantor, describing the status of the Project as of the report date, uses of Loan/Grant funds during the quarterly period ending on the report date, and requests for distributions of Loan/Grant funds anticipated to occur during the quarterly period immediately following the report date. The first quarterly report shall be due on March 31, 2026, and subsequent reports shall be due on each March 31, June 30, September 30 and December 31 thereafter until the report date next following final distribution of the Loan/Grant funds. No reports shall be required after the report date next following final distribution of the Loan/Grant Funds,

unless specifically required by the NMFA or the Water Trust Board. The description of the status of the Project in each quarterly report shall include, among other information, (a) a comparison of actual and anticipated requests for distributions of Loan/Grant funds as of the report date with those anticipated as of the Closing Date, (b) a description of actual and anticipated changes in the cost estimates for the Project as of the report date compared with those anticipated as of the Closing Date, (c) a description of the percentage of completion of the Project; and (d) a timeline of projected milestones.

Section 7.5 Completion of Disbursement of Loan/Grant Funds. Upon completion of the Project an Authorized Officer of the Borrower/Grantee shall deliver a certificate to the NMFA substantially in the form of Exhibit "E" attached hereto, stating that, to his or her knowledge, either (1) the Project has been completed, or (2) that the portion of the Loan/Grant Amount needed to complete the Project has been disbursed in accordance with the terms of this Agreement. No portion of the Loan/Grant Amount shall be disbursed after expiration of the Interim Period.

Section 7.6 Application of Project Account Subsequent to Disbursement of Loan/Grant Funds; Termination of Pledge.

(a) Upon the completion of the Project as signified by delivery of the completion certificate required by Section 7.5 hereof, the NMFA shall determine, by reference to the Project Account, whether any portion of the authorized Loan/Grant Amount remains unexpended and shall dispose of such unexpended proceeds in accordance with law;

(b) In the event that a portion of the Loan/Grant Amount remains unexpended after the expiration of the Interim Period, the NMFA shall dispose of such funds in accordance with law.

Upon the occurrence of either event described in (a) or (b) above, the NMFA shall make the appropriate entry in the Project Account and, upon such entry, the pledge of the Loan/Grant Amount established in this Agreement shall terminate.

ARTICLE VIII

COMPLIANCE WITH LAWS AND RULES; OTHER COVENANTS

Section 8.1 Further Assurances and Corrective Instruments. The Lender/Grantor and the Borrower/Grantee agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for correcting any inadequate or incorrect description of the Project or of the Pledged Revenues and for carrying out the intention hereof.

Section 8.4 Non-Discrimination in Employment. Except as otherwise specifically provided in the laws, statutes, ordinances or regulations of the Borrower/Grantee, the Borrower/Grantee shall require in any contract or subcontract executed in connection with the Project to which the Borrower/Grantee is a party that there shall be no discrimination against any employee or applicant for employment because of race, color, creed, sex, religion, sexual preference, ancestry or national origin.

Section 8.5 Little Miller Act. To the extent NMSA 1978, § 13-4-1 et seq., (the "Little Miller Act") is applicable to the Project, the Borrower/Grantee shall comply with the requirements of the "Little Miller Act". If bonding requirements of the Little Miller Act are not applicable to the Project, the Borrower/Grantee will require that the contractor to whom is given any contract for construction appertaining to the Project supply a performance bond or bonds satisfactory to the Borrower/Grantee. Any sum or sums derived from said performance bond or bonds shall be used within six (6) months after such receipt for the completion of said construction, and if not so used within such period, shall be treated as Gross Revenues.

Section 8.6 Required Contract Provisions. The Borrower/Grantee shall require the following provisions in any contract or subcontract executed in connection with the Project to which the Borrower/Grantee is a party:

(a) There shall be no discrimination against any employee or applicant for employment because of race, color, creed, sex, religion, sexual preference, ancestry or national origin; and

(b) Any contractor or subcontractor providing construction services in connection with the Project shall post a performance and payment bond in accordance with the requirements of NMSA 1978, § 13-4-18, as amended.

(c) Any contractor or subcontractor providing construction services in connection with the Project shall comply with the prevailing wage laws in accordance with the requirements of NMSA 1978, § 13-4-11, as amended.

Section 8.7 Application of Act and Board Rules. While this Agreement is outstanding, the Lender/Grantor and the Borrower/Grantee expressly acknowledge that this Agreement is governed by provisions and requirements of the Act and the Board Rules, as amended and supplemented, and all applicable provisions and requirements of the Act and Board Rules are incorporated into this Agreement by reference.

Section 8.8 Continuing Disclosure. The Borrower/Grantee shall provide continuing disclosure to the NMFA, as the NMFA may require, that shall include, but not be limited to: annual

audits and notification of any event deemed material by the NMFA, including but not limited to, any event which may or does affect the Pledged Revenues, the ability of the Borrower/Grantee to repay the loan, and the default of the Borrower/Grantee in performance or observance of any covenant, term, or condition contained in any other loan agreement.

ARTICLE IX INSURANCE; NON-LIABILITY OF LENDER/GRANTOR

Section 9.1 Insurance. The Borrower/Grantee shall carry general liability insurance or participate in the State's risk-management program and, to the extent allowed by the New Mexico Tort Claims Act, NMSA 1978, §§ 41-4-1 through 41-4-30, as amended, shall and hereby agrees to name the Lender/Grantor as an additional insured with respect to all claims, by or on behalf of any person, firm, corporation or other legal entity arising from the acquisition, completion or implementation of the Project or otherwise during the Agreement Term; provided, that if any portion of the Project will be constructed, located, completed or extended on real property owned by a qualifying entity (as defined by the Act) other than the Borrower/Grantee, the Borrower/Grantee may obtain the written agreement of such other qualifying entity to perform these insurance/risk-management program requirements for Borrower/Grantee with respect to such real property (and the portion of the Project to be constructed, located, completed or extended on such real property), which written agreement shall include an express statement by such other qualifying entity that the Lender/Grantor is a third party beneficiary of such written agreement.

Section 9.2 Non-Liability of Lender/Grantor.

(a) Lender/Grantor shall not be liable in any manner for the Project, Borrower/Grantee's use of the Loan/Grant, the acquisition, implementation, construction, installation, ownership, operation or maintenance of the Project, or any failure to act properly by the Borrower/Grantee or any other owner or operator of the Project.

(b) Lender/Grantor shall not be liable for the refusal or failure of any other agency of the State to transfer any portion of the Loan/Grant Amount in its possession, custody and control to the NMFA for disbursement to the Borrower/Grantee, or to honor any request for such transfer or disbursement of the Loan/Grant Amount.

(c) From and to the extent of the Pledged Revenues, and to the extent permitted by law, the Borrower/Grantee shall and hereby agrees to indemnify and save the NMFA harmless against and from all claims, by or on behalf of any person, firm, corporation, or other legal entity, arising from the acquisition or operation of the Project during the Agreement Term, from: (i) any act of negligence or other misconduct of the Borrower/Grantee, or breach of any covenant or warranty by the Borrower/Grantee hereunder; and (ii) the incurrence of any cost or expense in connection with the acquisition or operation of the Project in excess of the Loan/Grant Agreement proceeds and interest on the investment thereof. The Borrower/Grantee shall indemnify and save the NMFA harmless, from and to the extent of the available Pledged Revenues, and to the extent permitted by applicable law, from any such claim arising as aforesaid from (i) or (ii) above, or in connection with any action or proceeding brought thereon and, upon notice from the NMFA, shall defend the NMFA in any such action or proceeding.

ARTICLE X EVENTS OF DEFAULT AND REMEDIES

Section 10.1 Events of Default Defined. Any one of the following shall be an "Event of Default" under this Agreement:

(a) Failure by the Borrower/Grantee to pay any amount required to be paid under this Agreement on the date on which it is due and payable;

(b) Failure by the Borrower/Grantee to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Agreement for a period of thirty (30) days after written notice, specifying such failure and requesting that it be remedied, is given to the Borrower/Grantee by the Lender/Grantor unless the Lender/Grantor shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice can be wholly cured within a period of time not materially detrimental to the rights of the Lender/Grantor but cannot be cured within the applicable thirty (30) day period, the Lender/Grantor will not unreasonably withhold their consent to an extension of such time if corrective action is instituted by the Borrower/Grantee within the applicable period and diligently pursued until the failure is corrected; and provided, further, that if by reason of force majeure the Borrower/Grantee is unable to carry out the agreements on its part herein contained, the Borrower/Grantee shall not be deemed in default under this paragraph 10.1(b) during the continuance of such inability (but force majeure shall not excuse any other Event of Default); or

(c) Any warranty, representation or other statement by or on behalf of the Borrower/Grantee contained in this Agreement or in any instrument furnished in compliance with or in reference to this Agreement is false or misleading in any material respect;

(d) A petition is filed against the Borrower/Grantee under any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, and is not dismissed within thirty (30) days after such filing, but the NMFA shall have the right to intervene in the proceedings prior to the expiration of such thirty (30) days to protect their interests;

(e) The Borrower/Grantee files a petition in voluntary bankruptcy or seeking relief under any provision of any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, or consents to the filing of any petition against it under any such law; or

(f) The Borrower/Grantee admits insolvency or bankruptcy or its inability to pay its debts as they become due or is generally not paying its debts as such debts become due, or becomes insolvent or bankrupt or makes an assignment for the benefit of creditors, or a custodian (including, without limitation, a receiver, liquidator or trustee) of the Borrower/Grantee for any of its property is appointed by court order or takes possession thereof and such order remains in effect or such possession continues for more than thirty (30) days, but the NMFA shall have the right to intervene in the proceedings prior to the expiration of such thirty (30) days to protect their interests.

(g) Default by the Borrower/Grantee in performance or observance of any covenant contained in any other loan agreement, document or instrument of any type whatsoever evidencing or securing obligations of the Borrower/Grantee to the NMFA.

Section 10.2 Remedies on Default. Whenever any Event of Default has occurred and is continuing and subject to Section 10.3 hereof, the Lender/Grantor may take any or all of the following actions as may appear necessary or desirable to collect the payments then due and to become due or to enforce performance of any obligations of the Borrower/Grantee in this Agreement:

(a) File a mandamus proceeding or other action or proceeding or suit at law or in equity to compel the Borrower/Grantee to perform or carry out its duties under the law and the agreements and covenants required to be performed by it contained herein;

(b) Terminate this Agreement;

(c) Cease disbursing any further amounts from the Project Account;

(d) Demand that the Borrower/Grantee immediately repay the Loan/Grant Amount or any portion thereof if such funds were not utilized in accordance with this Agreement;

(e) File a suit in equity to enjoin any acts or things which are unlawful or violate the rights of the Lender/Grantor;

(f) Intervene in judicial proceedings that affect this Agreement or the Pledged Revenues; or

(g) Cause the Borrower/Grantee to account as if it were the trustee of an express trust for all of the Pledged Revenues;

(h) Take whatever other action at law or in equity may appear necessary or desirable to collect amounts then due and thereafter to become due under this Agreement or to enforce any other of its rights hereunder; or

(i) Apply any amounts in the Project Account toward satisfaction of any and all fees and costs incurred in enforcing the terms of this Agreement.

Section 10.3 Limitations on Remedies. A judgment requiring payment of money entered against the Borrower/Grantee shall be paid from only available Pledged Revenues unless the Borrower/Grantee in its sole discretion pays the judgment from other available funds.

Section 10.4 No Remedy Exclusive. No remedy herein conferred upon or reserved to the Lender/Grantor is intended to be exclusive, and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Borrower/Grantee or the Lender/Grantor to exercise any remedy reserved in this Article X, it

shall not be necessary to give any notice, other than such notice as may be required in this Article X.

Section 10.5 Waivers of Events of Default. The Lender/Grantor may, in its sole discretion, waive any Event of Default hereunder and the consequences of any such Event of Default; provided, however, all expenses of the Lender/Grantor in connection with such Event of Default shall have been paid or provided for. Such waiver shall be effective only if made by a written statement of waiver issued by the NMFA. In case of any such waiver or rescission, or in case any proceeding taken by the Lender/Grantor, on account of any such Event of Default shall have been discontinued or abandoned or determined adversely, then and in every such case, the Lender/Grantor shall be restored to its former position and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other Event of Default, or impair any right consequent thereon.

Section 10.6 No Additional Waiver Implied by One Waiver. In the event that any agreement contained herein should be breached by either party and thereafter waived by the other party, such waiver shall be in writing and limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 10.7 Agreement to Pay Attorneys' Fees and Expenses. In the event that the Borrower/Grantee shall default under any of the provisions hereof and the NMFA shall employ attorneys or incur other expenses for the collection of payments hereunder, or the enforcement of performance or observance of any obligation or agreement on the part of the Borrower/Grantee herein contained, the Borrower/Grantee agrees that it shall, on demand therefor, pay to the NMFA the fees of such attorneys and such other expenses so incurred, to the extent such attorneys' fees and expenses may be determined to be reasonable by a court of competent jurisdiction; provided, however, that the obligation of the Borrower/Grantee under this Section shall be limited to expenditures from and to the extent of the available Pledged Revenues of the Borrower/Grantee.

The consent of the NMFA for amendments not affecting the terms of payment of the loan component of this Agreement may be given by an Authorized Officer of the NMFA. The execution of any such consent by an Authorized Officer of the NMFA shall constitute his or her determination that such amendment does not affect the terms of payment of the loan component of this Agreement.

Section 11.5 No Liability of Individual Officers, Directors or Trustees. No recourse under or upon any obligation, covenant or agreement contained in this Agreement shall be had against any member, employee, director or officer, as such, past, present or future, of the Lender/Grantor, either directly or through the NMFA, or against any officer, employee, director or member of the Borrower/Grantee, past, present or future, as an individual so long as such individual was acting in good faith. Section 11.11 NMFA and Borrower/Grantee Representatives. Whenever under the provisions hereof the approval of the NMFA or the Borrower/Grantee is required, or the Borrower/Grantee or the NMFA is required to take some action at the request of the other, such approval or such request shall be given for the NMFA or for the Borrower/Grantee by an Authorized Officer of the NMFA or the Borrower/Grantee, as the case may be, and any party hereto shall be authorized to act on any such approval or request.

REPRESENTATIONS, COVENANTS AND WARRANTIES

Section 2.1 Representations, Covenants and Warranties of the Borrower/Grantee: The Borrower/Grantee represents, covenants and warrants for the benefit of the NMFA as follows:

(a) Binding Nature of Covenants; Enforceability. All representations, covenants, stipulations, obligations and agreements of the Borrower/Grantee contained in this Agreement shall be deemed to be the representations, covenants, stipulations, obligations and agreements of the Borrower/Grantee to the full extent authorized or permitted by law, and such representations, covenants, stipulations, obligations and agreements shall be binding upon the Borrower/Grantee and its successors and enforceable in accordance with their terms, and upon any board or body to which any powers or duties affecting such representations, covenants, stipulations, obligations and agreements shall be transferred by or in accordance with law. Except as otherwise provided in this Agreement, all rights, powers and privileges conferred and duties and liabilities imposed upon the Borrower/Grantee by the provisions of this Agreement and the Resolution shall be exercised or performed by the Borrower/Grantee or by such members, officers, or officials of the Borrower/Grantee as may be required by law to exercise such powers and to perform such duties.

(b) Authorization of Agreement. The Borrower/Grantee is a qualifying entity as defined in the Act and the Board Rules. Pursuant to the laws of the State and in particular, the laws governing its creation and existence, as amended and supplemented from time to time, the Borrower/Grantee is authorized to enter into the transactions contemplated by this Agreement and to carry out its obligations hereunder. The Borrower/Grantee has duly authorized and approved its acceptance of the Loan/Grant and the execution and delivery of this Agreement and the other documents related to the transaction described in this Agreement, and this Agreement and the other documents related to the transaction to which the Borrower/Grantee is a party constitute legal, valid and binding special obligations of the Borrower/Grantee enforceable against the Borrower/Grantee in accordance with their respective terms.

(c) Nature and Use of Agreement Proceeds. The Borrower/Grantee acknowledges that the distribution of the Loan/Grant Amount shall be deemed to be a distribution to the Borrower/Grantee of proceeds representing the Loan Amount and the Grant Amount on a *pro rata* basis from the maximum Loan Amount and Grant Amount. The Borrower/Grantee shall apply the proceeds of the Loan/Grant solely to Eligible Items that will facilitate the completion of the Project, and shall not use the Loan/Grant proceeds for any other purpose. The Loan/Grant

Amount, together with the Additional Funding Amount and other moneys reasonably expected to be available to the Borrower/Grantee, is sufficient to complete the Project in its entirety.

(d) Payment of Loan Amount. The Borrower/Grantee shall promptly pay the Loan Amount and Administrative Fee as provided in this Agreement, except when a Hardship Waiver is obtained pursuant to Section 5(a)(iii) of this Agreement. The Loan and Administrative Fee shall be payable solely from Pledged Revenues and nothing in this Agreement shall be construed as obligating the Borrower/Grantee to make the Loan Payments and to pay the Administrative Fee from any general or other fund of the Borrower/Grantee other than the Pledged Revenues; however, nothing in this Agreement shall be construed as prohibiting the Borrower/Grantee, in its sole and absolute discretion, from making such payments from any moneys which may be lawfully used, and which are legally available, for that purpose.

(e) Scope of Project; Completion of Project; Compliance with Laws. The Project is for flood prevention. The Loan/Grant Amount will be used only for Eligible Items necessary to complete the Project. The Project is more particularly described in the Term Sheet. The Project will be completed with all practical dispatch and will be completed, operated and maintained so as to comply with all applicable federal, state and local laws, ordinances, resolutions and regulations and all current and future orders of all courts having jurisdiction over the Borrower/Grantee relating to the acquisition, operation, maintenance and completion of the Project and to the use of the Loan/Grant proceeds.

(f) Necessity of Project. The completion and operation of the Project under the terms and Conditions provided in this Agreement are necessary, convenient, and in furtherance of the governmental purposes of the Borrower/Grantee and are in the best interest of the Borrower/Grantee and the public it serves.

(g) Lien. The Loan Payments constitute an irrevocable lien on the distribution on the Pledged Revenues, the priority of which is consistent with that shown on the Term Sheet.

(h) Agreement Term Not Less than Useful Life. The Agreement Term is not less than the Useful Life of the Project, as required by NMSA 1978, § 72-4A-7, as amended, of the Act.

(i) Amount of Agreement. The sum of the Grant Amount, the Loan Amount, and the Additional Funding Amount (and as set forth on the Term Sheet) does not exceed the cost of the Project.

(j) No Breach or Default Caused by Agreement. Neither the execution and delivery of this Agreement and the other documents related to the transaction, nor the fulfillment of or compliance with the terms and conditions in this Agreement and the other documents related to the transaction, nor the consummation of the transactions contemplated herein and therein, conflicts with or results in a breach of terms, conditions or provisions of any restriction or any agreement or instrument to which the Borrower/Grantee is a party or by which the Borrower/Grantee is bound or any laws, ordinances, governmental rules or regulations or court or

other governmental orders to which the Borrower/Grantee or its properties are subject, or constitutes a default under any of the foregoing.

(k) Irrevocable Enactments. While this Agreement remains outstanding and unpaid, any ordinance, resolution or other enactment of the Governing Body applying the Pledged Revenues for the payment of this Agreement, including the Resolution shall be irrevocable until the Project has been fully acquired and completed, and the Loan Amount, including all principal and interest has been repaid, or provision made for payment thereof, and shall not be subject to amendment or modification in any manner which would result in any use of the proceeds of this Agreement in a manner not permitted or contemplated by the terms hereof. The Borrower/Grantee shall not impair the rights of the NMFA or of any holders of bonds or other obligations payable from the Pledged Revenues while this Agreement is outstanding.

(l) No Litigation. To the knowledge of the Borrower/Grantee, no litigation or proceeding is pending or threatened against the Borrower/Grantee or any other person affecting the right of the Borrower/Grantee to execute or deliver this Agreement and the other documents related to the transaction or to comply with its obligations under this Agreement and the other documents related to the transaction. Neither the execution and delivery of this Agreement and the other documents related to the transaction by the Borrower/Grantee nor compliance by the Borrower/Grantee with the obligations under this Agreement and the other documents related to the transaction, requires the approval of any regulatory body, or any other entity, which approval has not been obtained or which is not reasonably expected to be obtained.

(m) No Event of Default. No event has occurred and no condition exists which, with the giving of notice or the passage of time or upon the execution and delivery of this Agreement and the other documents related to the transaction, would constitute an Event of Default on the part of the Borrower/Grantee under this Agreement and the other documents related to the transaction.

(n) Pledged Revenues Not Budgeted; Pledged Tax Revenues Covenants. The portion of the Pledged Revenues necessary to pay the Loan Payments, as and when due, is not needed or budgeted to pay current or anticipated expenses of the Borrower/Grantee. Pursuant to NMSA 1978, § 7-1-6.4, as amended, and NMSA 1978, § 7-1-6.15, as amended, the State collects gross receipts taxes from business locations within the Borrower/Grantee, on land owned by the State within the exterior boundaries of the Borrower/Grantee, and outside the exterior boundaries of the Borrower/Grantee on land owned by the Borrower/Grantee, and distributes each month to the Borrower/Grantee the revenues of the Tax Ordinance which distributions the Borrower/Grantee pledges and covenants for the performance of its obligations under this Agreement.

(o) Expected Coverage Ratio. The Pledged Revenues are reasonably expected to equal or exceed—from the Fiscal Year in which the Closing Date occurs and, on an ongoing basis during each Fiscal Year of the Agreement Term—one hundred percent (100%) of the maximum annual principal and interest due on all outstanding obligations of the Borrower/Grantee payable from the Pledged Revenues.

(p) Right to Inspect. The NMFA shall have the right to inspect at all reasonable times all records, accounts and data relating to the Project and to inspect the Project and all properties comprising the Project, and the Borrower/Grantee shall supply such records, accounts, and data as are requested by the NMFA, within thirty (30) days of receipt of such request, written or oral.

(q) Financial Capability; Budgeting of Pledged Revenues. The Borrower/Grantee meets and will meet during the Agreement Term the requirements of financial capability set by the Water Trust Board and the NMFA. The Pledged Revenues will be sufficient to make the Loan Payments, as and when due. The Borrower/Grantee will adequately budget for the Loan Payments and other amounts payable by the Borrower/Grantee under this Agreement.

(r) Borrower/Grantee's Existence. The Borrower/Grantee will maintain its legal identity and existence so long as this Agreement remains outstanding unless another political subdivision, State agency, or other entity by operation of law succeeds to the liabilities, rights and duties of the Borrower/Grantee under this Agreement without adversely affecting to any substantial degree the privileges and rights of the Lender/Grantor.

(s) Use of Project; Continuing Covenant. During the Agreement Term, the Borrower/Grantee will at all times use the Project for the benefit of the Borrower/Grantee and the public it serves. The Borrower/Grantee shall not sell, lease, mortgage, pledge, relocate or otherwise dispose of or transfer the Project, or any part of the Project so long as this Agreement is outstanding; provided, however, that if the Project is a joint project of the Borrower/Grantee and other qualifying entities (as defined by the Act), the Borrower/Grantee and the other qualifying entities may, with the express written approval of the NMFA and not otherwise, enter into an agreement allocating ownership and operational and maintenance responsibilities for the Project during the term of the Agreement. Any such agreement shall provide that the Lender/Grantor, or either of them, shall have the power to enforce the terms of this Agreement, without qualification, as to each and every qualifying entity (as defined by the Act) other than the Borrower/Grantee, owning or operating any portion of the Project during the term of the Agreement. The Borrower/Grantee will operate and maintain the Project, so that it will function properly over its Useful Life.

(t) Title and Rights of Way. As required by NMSA 1978, § 72-4A-7(A)(3) of the Act, as amended, and the Board Rules, the Borrower/Grantee shall provide written assurance signed by an attorney or provide a title insurance policy ensuring that the Borrower/Grantee has proper title to, easements, rights of way or use permits on the real property upon or through which the Project is being constructed, located, completed or extended, and if any portion of the Project will be conducted and completed on real property owned by a qualifying entity (as defined by the Act) other than the Borrower/Grantee, such other qualifying entity has title to such real property, and the Borrower/Grantee shall provide written assurance signed by an attorney or provide a title insurance policy ensuring that such other qualifying entity has proper title to such real property.

(u) Additional Funding Amount. Together with the Loan/Grant Amount and other amounts available to the Borrower/Grantee, the Additional Funding Amount is now available to the Borrower/Grantee, and in combination with the Loan/Grant Amount, will be sufficient to

complete the Project. If any other additional expenses are incurred, the Borrower/Grantee shall be responsible for payment of such expenses.

(v) Audit Requirement. During the Agreement Term the Borrower/Grantee shall comply with the requirements of the State Audit Act, NMSA 1978, §§ 12-6-1 through 12-6-14, as amended. Upon request by the NMFA, the Borrower/Grantee shall provide the NMFA a copy of any review or audit, report of agreed upon procedures, or any other document prepared pursuant to or required by the State Audit Act.

(w) Reserved.

(x) Records. So long as the Agreement remains outstanding, proper books of record and account will be kept by the Borrower/Grantee in accordance with Generally Accepted Accounting Principles, separate from all other records and accounts, showing complete and correct entries of all transactions relating to the Project.

(y) Competent Management. The Borrower/Grantee shall employ or contract for experienced and competent personnel to manage the Project.

(z) Readiness Requirements. The Borrower/Grantee has met the requirements of Executive Order 2013-006 and it has met or will meet prior to the first disbursement of any portion of the Loan/Grant Amount, the Conditions and the readiness to proceed requirements established for the Loan/Grant by the NMFA and the Water Trust Board.

(aa) Other Liens. Other than as provided in the Term Sheet, there are no liens or encumbrances of any nature, whatsoever, on or against the Pledged Revenues.

(bb) NMFA Written Consent to Additional Loans. The Borrower/Grantee shall obtain the written consent of the NMFA prior to the issuance of additional Senior Obligations or Parity Obligations unless such Senior or Parity Obligation has been issued by the NMFA.

Section 2.2 Representations and Warranties of the NMFA. The NMFA represents as follows:

(a) Authorization of Agreement. The NMFA is a public body politic and corporate separate and apart from the State, constituting a governmental instrumentality, and has all necessary power and authority to enter into and perform and observe the covenants and agreements on its part contained in this Agreement and, by proper action, has duly authorized the execution and delivery of this Agreement.

(b) Legal, Valid and Binding Obligation. This Agreement constitutes a legal, valid and binding obligation of the NMFA enforceable in accordance with its terms.

ARTICLE III AGREEMENT TERM

The Agreement Term shall commence on the Closing Date and shall terminate at the end of the Useful Life of the Project, as required by NMSA 1978, § 72-4A-7, as amended, of the Act.

ARTICLE IV
LOAN/GRANT AGREEMENT CONDITIONS

Section 4.1 Conditions Precedent to Closing of Loan/Grant. Prior to the Closing Date, the following Conditions and readiness to proceed items shall be satisfied:

(a) The NMFA, on behalf of the Water Trust Board, shall have determined that the Borrower/Grantee has met the Conditions and readiness to proceed requirements established for the Loan/Grant by the NMFA and the Water Trust Board including any Conditions set out in the Term Sheet; and

(b) The Borrower/Grantee shall have provided written assurance addressed to the NMFA and signed by an attorney (or shall have provided a title insurance policy) that the Borrower/Grantee has proper title to or easements, rights of way, or permits on the real property upon or through which the Project is being constructed, located, completed or extended; and

(c) If any portion of the Project will be constructed, located, completed or extended on real property owned by a qualifying entity (as defined by the Act) other than the Borrower/Grantee, the Borrower/Grantee shall have provided written assurance addressed to the NMFA and signed by an attorney (or shall have provided a title insurance policy) that such other qualifying entity has proper title to such real property; and

(d) Prior to the disbursement of any portion of the Loan/Grant Amount for purposes of construction of the Project, the plans and specifications funded with the proceeds of this Agreement will be approved by the NMFA or on behalf of the NMFA as required by NMSA 1978, § 72-4A-7(B), as amended, by the New Mexico Environment Department and the Office of the State of Engineer, and the Borrower/Grantee shall have provided written evidence of such approval to the NMFA; and

(e) Except as otherwise expressly provided in the Conditions, the Borrower/Grantee shall have certified to the Lender/Grantor that the Additional Funding Amount is available for the Project, and, in addition, shall have provided additional evidence reasonably acceptable to the Lender/Grantor of the availability of the Additional Funding Amount; and

(f) The Borrower/Grantee shall be in compliance with the provisions of this Agreement.

(g) Notwithstanding anything in this Agreement to the contrary, the NMFA shall not be obligated to execute the Agreement and may not make the Loan/Grant until the Borrower/Grantee has provided to the NMFA the documents listed on Exhibit "F" attached hereto, all of which must be in form and content acceptable to the NMFA.

Section 4.2 Determination of Eligibility Is Condition Precedent to Disbursement. No request for payment shall be made, nor shall any disbursement be made from the Water Project Fund, for any requisition of any portion of the Loan/Grant Amount, except upon a determination by the NMFA in its sole and absolute discretion that such disbursement is for payment of Eligible Items, and that the request for payment or disbursement does not exceed any limitation upon the amount payable for any Eligible Item pursuant to the Act, the Board Rules, and the Policies

governing the Water Project Fund. The NMFA, as a condition precedent to submitting any request for payment to the State Board of Finance or making any requested disbursement from the Water Project Fund, may require submittal of such documentation as the NMFA deems necessary, in its sole and absolute discretion, for a determination whether any requested disbursement is for payment of Eligible Items and is fully consistent with the Act, the Board Rules, and the Policies, as applicable.

ARTICLE V

LOAN TO THE BORROWER/GRANTEE; GRANT TO THE BORROWER/GRANTEE; APPLICATION OF MONEYS

Section 5.1 Loan and Grant to the Borrower/Grantee.

(a) Loan to the Borrower/Grantee. The Lender/Grantor hereby lends to the Borrower/Grantee and the Borrower/Grantee hereby borrows from and agrees to pay to the order of the Lender/Grantor, without interest, an amount equal to the Loan Amount, with the principal amount of the Loan Amount being payable as provided by Article VI and Exhibit "B" of this Agreement.

(i) Subordinate Nature of Loan Amount and Administrative Fee Obligation. The obligation of the Borrower/Grantee to make the Loan Payments and to pay the Administrative Fee shall be subordinate to all other indebtedness secured by the Pledged Revenues existing on the Closing Date and, further, that may in the future be secured by the Pledged Revenues; except, however, that the obligation of the Borrower/Grantee to make the Loan Payments and to pay the Administrative Fee shall be on parity with any other obligation, present or future, of the Borrower/Grantee to repay a loan provided by the Lender/Grantor pursuant to the Act or the Colonias Infrastructure Act.

(ii) Administrative Fee. The Borrower/Grantee shall, on an annual basis beginning on the first payment date following the completion of the Project or exhaustion of all Loan/Grant Amounts as set out in Section 5.3 hereof, pay to the Lender/Grantor the Administrative Fee, taking into account both payments made by the Borrower/Grantee and Hardship Waivers granted to the Borrower/Grantee as provided by this Agreement. Any such Administrative Fee payment shall be due irrespective of whether or not a Hardship Waiver is granted to the Borrower/Grantee for the principal payment otherwise due on June 1 of the applicable year or any other year.

(iii) Hardship Waivers of Payment. Each year while any portion of the Loan Amount remains outstanding, no later than April 1 of each such year, the Borrower/Grantee may apply in writing to the NMFA for a determination of whether the annual principal payment on the Loan Amount otherwise due on the upcoming June 1 of such year should be forgiven because such payment would cause undue hardship for the Borrower/Grantee or the public it serves. The Borrower/Grantee shall submit such application to the NMFA for determination with sufficient documentation of the existence of such undue hardship as is reasonably required by the NMFA to make a determination, and the Borrower/Grantee shall promptly respond to additional requests for information from the NMFA. Such application for Hardship Waiver shall be executed by the Authorized Officers of the Borrower/Grantee. An "undue hardship" exists if the NMFA

determines that the Borrower/Grantee is facing unforeseen events or an emergency that has caused the Borrower/Grantee to be unable to pay on a timely basis the annual principal payment on the Loan Amount. The NMFA may consult the Department of Finance and Administration in determining whether to grant the Hardship Waiver. The NMFA shall make a determination no later than May 15 of the applicable year, and the NMFA shall promptly communicate to the Borrower/Grantee in writing the results of its determination. Upon receipt of written notice of the determination, either the principal payment otherwise due on June 1 of such year shall be forgiven (in the event of a determination of undue hardship) or the principal payment shall remain outstanding and due and payable on June 1 (in the event no undue hardship is determined to exist).

(b) Grant and Acceptance. The Lender/Grantor hereby grants to the Borrower/Grantee and the Borrower/Grantee hereby accepts from the Lender/Grantor an amount equal to the Grant Amount.

(c) Project Account. The NMFA shall establish and maintain the Project Account as a book account only, on behalf of the Borrower/Grantee, which account shall be kept separate and apart from all other accounts of the NMFA.

(d) Constitutional and Statutory Debt Limitations. No provision of this Agreement shall be construed or interpreted as creating a general obligation or other indebtedness of the Water Trust Board, the NMFA, the State or the Borrower/Grantee within the meaning of any constitutional or statutory debt limitation.

Section 5.2 Application of Loan/Grant Amount. Following the determination by the NMFA in its sole and absolute discretion that the Conditions to the disbursement of the Loan/Grant Amount have been satisfied, the NMFA shall make an entry in its accounts, and in particular in the Project Account, reflecting the proceeds of the Loan/Grant Amount made available for disbursement from the Water Project Fund to the Borrower/Grantee at its request, and as needed by it to acquire and complete the Project, as provided in Section 7.2 of this Agreement.

Section 5.3 Final Requisition. The Final Requisition shall be submitted by the Borrower/Grantee within the Interim Period. The Interim Period may be extended only as approved in writing by an Authorized Officer of the NMFA, based on the Borrower/Grantee's demonstration, to the reasonable satisfaction of the Authorized Officer of the NMFA, that unanticipated circumstances beyond the control of the Borrower/Grantee resulted in delaying the acquisition and completion of the Project, and submission of the Borrower/Grantee's Final Requisition.

Section 5.4 Investment of Monies. Money in the Water Project Fund, representing proceeds of this Agreement, held and administered by the NMFA, may be invested by the NMFA for the credit of the Water Project Fund.

ARTICLE VI

LOAN PAYMENTS BY THE BORROWER/GRANTEE

Section 6.1 Loan to the Borrower/Grantee; Payment Obligations Limited to Pledged Revenues; Pledge of Pledged Revenues. The NMFA hereby lends to the Borrower/Grantee and

the Borrower/Grantee hereby borrows from the NMFA an amount not to exceed the Loan Amount. The Borrower/Grantee promises to pay, but solely from the sources pledged herein, the Loan Payments and the Administrative Fees and other amounts owed by the Borrower/Grantee as herein provided. Subject to any outstanding Parity Obligations and Senior Obligations, the Borrower/Grantee does hereby grant a lien on and a security interest in and does hereby convey, assign and pledge unto the NMFA and unto its successors in trust forever all right, title and interest of the Borrower/Grantee in and to (i) the Pledged Revenues to the extent required to pay the Loan Payments, and to pay the Administrative Fees and other amounts owed by the Borrower/Grantee as herein provided, subject to and subordinate to all other pledges of the Pledged Revenues existing on the Closing Date and, further, that may exist in the future (except only that the pledge of the Pledged Revenues herein shall be on a parity with any other pledge of the Pledged Revenues by the Borrower/Grantee to repay any obligations issued by the Lender/Grantor pursuant to the Act or the Colonias Infrastructure Act); (ii) the Loan/Grant Amount including the Project Account; and (iii) all other rights hereinafter granted, for the securing of the Borrower/Grantee's obligations under this Agreement, including payment of the Loan Payments, Administrative Fees and other amounts owed by the Borrower/Grantee as herein provided, however, that if the Borrower/Grantee, its successors or assigns, shall pay, or cause to be paid, all Loan Payments and Administrative Fees at the time and in the manner contemplated by this Agreement, or shall provide as permitted by Section 6.5 of this Agreement for the payment thereof, and shall pay all other amounts due or to become due under this Agreement in accordance with its terms and provisions then, upon such final payment, this Agreement and the rights created thereby shall terminate; otherwise, this Agreement shall remain in full force and effect.

The schedule of Loan Payments, assuming the disbursement of the entire Loan/Grant Amount within twenty-four (24) months after the Closing Date, identified as the Interim Debt Service Schedule, is attached to this Agreement as Exhibit "B". Within thirty (30) days after the Final Requisition is made, the NMFA shall provide a Final Debt Service Schedule, reflecting the amount of the Loan/Grant Amount actually disbursed to the Borrower/Grantee pursuant to this Agreement. Such Final Debt Service Schedule shall supersede the schedule attached hereto as Exhibit "B". The NMFA shall additionally calculate the amount of the Administrative Fee that has accumulated during that twenty-four (24) month period from the Closing Date, and shall include such amount in the first Loan Payment due from the Borrower/Grantee on the Final Debt Service Schedule.

The pledge of the Pledged Revenues and the lien thereon shall be effective upon the Closing Date. The Borrower/Grantee and the NMFA acknowledge and agree that the obligations of the Borrower/Grantee hereunder are limited to the Pledged Revenues; and that this Agreement with respect to the Loan Amount, the Administrative Fee and other amounts owed by the Borrower/Grantee as herein provided, and that the Agreement shall constitute a special, limited obligation of the Borrower/Grantee. No provision of this Agreement shall be construed or interpreted as creating a general obligation or other indebtedness of the Borrower/Grantee or the State within the meaning of any constitutional or statutory debt limitation. No provision of this Agreement shall be construed to pledge or to create a lien on any class or source of Borrower/Grantee moneys other than the Pledged Revenues, nor shall any provision of this Agreement restrict the future issuance of any bonds or obligations payable from any class or source of Borrower/Grantee moneys other than the Pledged Revenues. In addition, to the extent not required for the payment of obligations of the Borrower/Grantee hereunder, the Pledged Revenues may be utilized by the Borrower/Grantee for any other purposes permitted by law.

Section 6.2 Deposit of Payments of Loan Amount to Water Project Fund. All Loan Payments made by the Borrower/Grantee to the NMFA to repay the Loan Amount and interest thereon, if any, shall be deposited into the Water Project Fund.

Section 6.3 Manner of Payment. The Loan Amount and Administrative Fee shall be payable by the Borrower/Grantee to the Lender/Grantor in annual installments on June 1 beginning after expiration of the Interim Period and continuing through the expiration of the last Loan Payment due as outlined in the Final Debt Service Schedule. All payments of the Borrower/Grantee hereunder shall be paid in lawful money of the United States of America to the NMFA at the address designated in Section 11.1 of this Agreement. The obligation of the Borrower/Grantee to make payments hereunder, from and to the extent of the available Pledged Revenues, shall be absolute and unconditional in all events, except as expressly provided hereunder. Notwithstanding any dispute between the Borrower/Grantee and the NMFA, any vendor or any other person, the Borrower/Grantee shall make all deposits hereunder, from and to the extent of the available Pledged Revenues, when due and shall not withhold any deposit hereunder pending final resolution of such dispute, nor shall the Borrower/Grantee assert any right of set-off or counterclaim against its obligation to make such deposits required hereunder.

Section 6.4 Borrower/Grantee May Budget for Payments. The Borrower/Grantee may, in its sole discretion, but without obligation and subject to the Constitution of the State, governing laws, and its budgetary requirements, make available properly budgeted and legally available funds to make the Loan Payments and other amounts owed by the Borrower/Grantee hereunder; provided, however, the Borrower/Grantee has not covenanted and cannot covenant to make such funds available and has not pledged any of such funds for such purpose.

Section 6.5 No Penalty for Prepayment of the Loan Amount. The Loan Amount shall be pre-payable by the Borrower/Grantee at the conclusion of the Interim Period without penalty.

Section 6.6 Lender/Grantor's Release of Lien and Further Assurances. Upon payment in full of the Loan Amount, Administrative Fee and other amounts owed by the Borrower/Grantee as herein provided in this Agreement and upon written request from the Borrower/Grantee the Lender/Grantor agrees to execute a release of lien and to give such further assurances as are reasonably necessary to ensure that the Lender/Grantor no longer holds or maintains any lien or claim against the Pledged Revenues.

ARTICLE VII THE PROJECT

Section 7.1 Agreement to Acquire, Complete and Maintain the Project.

(a) The Borrower/Grantee hereby agrees that in order to effectuate the purposes of this Agreement and to acquire and complete the Project it shall take such steps as are necessary and appropriate to acquire, complete, operate and maintain the Project lawfully and efficiently. The Project shall be constructed and completed substantially in accordance with the approved plans and specifications, and shall fully incorporate the available technologies and operational design for water use efficiency described in the approved plans and specifications. No Loan/Grant funds shall be used for items not constituting Eligible Items.

(b) As provided by NMSA 1978, § 72-4A-7(A)(1), as amended, of the Act, the Borrower/Grantee shall operate and maintain the Project in good operating condition and repair at all times during the Useful Life of the Project, so that the Project will function properly over the Useful Life of the Project; provided, that if any portion of the Project will be constructed, located, completed, installed or extended on real property owned by a qualifying entity (as defined by the Act) other than the Borrower/Grantee, the Borrower/Grantee may, prior to any use of the Loan/Grant funds for the Project on such real property, obtain the written agreement of such other qualifying entity to perform these obligations with respect to such real property (and the portion of the Project to be constructed, located, completed or extended on such real property), which written agreement shall be subject to approval by the Lender/Grantor and shall include an express statement by such other qualifying entity that the Lender/Grantor is a third party beneficiary of such written agreement.

Section 7.2 Accounting for Amounts Credited to the Project Account. So long as no Event of Default shall occur and provided that all Conditions to the disbursement of the Loan/Grant Amount have been satisfied (including approval of the plans and specifications), upon receipt by the NMFA of a requisition substantially in the form of Exhibit "C" attached hereto signed by an Authorized Officer of the Borrower/Grantee, supported by certification by the Borrower/Grantee's project architect, engineer, or such other authorized representative of the Borrower/Grantee that the amount of the disbursement request represents the progress of design, construction, acquisition or other Project-related activities accomplished as of the date of the disbursement request, the NMFA shall, in its sole and absolute discretion: (1) submit a request for payment to the State Board of Finance for payment; and/or (2) disburse from the Water Project Fund, amounts which together are sufficient to pay the requisition in full. The NMFA shall make the appropriate entry in the Project Account reflecting the amount of the payment. The certification provided pursuant to this Section 7.2 in support of the requisition must be acceptable in form and substance to the NMFA and, at its request, the Water Trust Board. The Borrower/Grantee shall provide such records or access to the Project as the NMFA, and, at its request, the Water Trust Board, in the discretion of each, may request in connection with the approval of the Borrower/Grantee's requisition requests made hereunder.

Section 7.3 No Disbursement for Prior Expenditures Except upon Approval. No disbursement shall be made from the Water Project Fund of the Loan/Grant Amount, or any portion thereof, without the written approval of the NMFA and, at its request, the Water Trust Board, to reimburse any expenditure made prior to the Closing Date.

Section 7.4 Borrower/Grantee Reporting to Lender/Grantor. During the acquisition implementation, installation and construction of the Project, the Borrower/Grantee shall provide the Lender/Grantor with a quarterly written report executed by an Authorized Officer of the Borrower/Grantee, in the form attached as Exhibit "D" hereto or in another form reasonably acceptable to the Lender/Grantor, describing the status of the Project as of the report date, uses of Loan/Grant funds during the quarterly period ending on the report date, and requests for distributions of Loan/Grant funds anticipated to occur during the quarterly period immediately following the report date. The first quarterly report shall be due on March 31, 2026, and subsequent reports shall be due on each March 31, June 30, September 30 and December 31 thereafter until the report date next following final distribution of the Loan/Grant funds. No reports shall be required after the report date next following final distribution of the Loan/Grant Funds,

unless specifically required by the NMFA or the Water Trust Board. The description of the status of the Project in each quarterly report shall include, among other information, (a) a comparison of actual and anticipated requests for distributions of Loan/Grant funds as of the report date with those anticipated as of the Closing Date, (b) a description of actual and anticipated changes in the cost estimates for the Project as of the report date compared with those anticipated as of the Closing Date, (c) a description of the percentage of completion of the Project; and (d) a timeline of projected milestones.

Section 7.5 Completion of Disbursement of Loan/Grant Funds. Upon completion of the Project an Authorized Officer of the Borrower/Grantee shall deliver a certificate to the NMFA substantially in the form of Exhibit "E" attached hereto, stating that, to his or her knowledge, either (1) the Project has been completed, or (2) that the portion of the Loan/Grant Amount needed to complete the Project has been disbursed in accordance with the terms of this Agreement. No portion of the Loan/Grant Amount shall be disbursed after expiration of the Interim Period.

Section 7.6 Application of Project Account Subsequent to Disbursement of Loan/Grant Funds; Termination of Pledge.

(a) Upon the completion of the Project as signified by delivery of the completion certificate required by Section 7.5 hereof, the NMFA shall determine, by reference to the Project Account, whether any portion of the authorized Loan/Grant Amount remains unexpended and shall dispose of such unexpended proceeds in accordance with law;

(b) In the event that a portion of the Loan/Grant Amount remains unexpended after the expiration of the Interim Period, the NMFA shall dispose of such funds in accordance with law.

Upon the occurrence of either event described in (a) or (b) above, the NMFA shall make the appropriate entry in the Project Account and, upon such entry, the pledge of the Loan/Grant Amount established in this Agreement shall terminate.

ARTICLE VIII COMPLIANCE WITH LAWS AND RULES; OTHER COVENANTS

Section 8.1 Further Assurances and Corrective Instruments. The Lender/Grantor and the Borrower/Grantee agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for correcting any inadequate or incorrect description of the Project or of the Pledged Revenues and for carrying out the intention hereof.

Section 8.2 Representatives of Lender/Grantor or of Borrower/Grantee. Section 8.4 Non-Discrimination in Employment. Except as otherwise specifically provided in the laws, statutes, ordinances or regulations of the Borrower/Grantee, the Borrower/Grantee shall require in any contract or subcontract executed in connection with the Project to which the Borrower/Grantee is a party that there shall be no discrimination against any employee or applicant for employment because of race, color, creed, sex, religion, sexual preference, ancestry or national origin.

Section 8.5 Little Miller Act. To the extent NMSA 1978, § 13-4-1 et seq., (the "Little Miller Act") is applicable to the Project, the Borrower/Grantee shall comply with the requirements of the "Little Miller Act". If bonding requirements of the Little Miller Act are not applicable to the Project, the Borrower/Grantee will require that the contractor to whom is given any contract for construction appertaining to the Project supply a performance bond or bonds satisfactory to the Borrower/Grantee. Any sum or sums derived from said performance bond or bonds shall be used within six (6) months after such receipt for the completion of said construction, and if not so used within such period, shall be treated as Gross Revenues.

Section 8.6 Required Contract Provisions. The Borrower/Grantee shall require the following provisions in any contract or subcontract executed in connection with the Project to which the Borrower/Grantee is a party:

(a) There shall be no discrimination against any employee or applicant for employment because of race, color, creed, sex, religion, sexual preference, ancestry or national origin; and

(c) Any contractor or subcontractor providing construction services in connection with the Project shall comply with the prevailing wage laws in accordance with the requirements of NMSA 1978, § 13-4-11, as amended.

Section 8.7 Application of Act and Board Rules. While this Agreement is outstanding, the Lender/Grantor and the Borrower/Grantee expressly acknowledge that this Agreement is governed by provisions and requirements of the Act and the Board Rules, as amended and supplemented, and all applicable provisions and requirements of the Act and Board Rules are incorporated into this Agreement by reference.

Section 8.8 Continuing Disclosure. The Borrower/Grantee shall provide continuing disclosure to the NMFA, as the NMFA may require, that shall include, but not be limited to: annual

audits and notification of any event deemed material by the NMFA, including but not limited to, any event which may or does affect the Pledged Revenues, the ability of the Borrower/Grantee to repay the loan, and the default of the Borrower/Grantee in performance or observance of any covenant, term, or condition contained in any other loan agreement.

ARTICLE IX INSURANCE; NON-LIABILITY OF LENDER/GRANTOR

Section 9.1 Insurance. The Borrower/Grantee shall carry general liability insurance or participate in the State's risk-management program and, to the extent allowed by the New Mexico Tort Claims Act, NMSA 1978, §§ 41-4-1 through 41-4-30, as amended, shall and hereby agrees to name the Lender/Grantor as an additional insured with respect to all claims, by or on behalf of any person, firm, corporation or other legal entity arising from the acquisition, completion or implementation of the Project or otherwise during the Agreement Term; provided, that if any portion of the Project will be constructed, located, completed or extended on real property owned by a qualifying entity (as defined by the Act) other than the Borrower/Grantee, the Borrower/Grantee may obtain the written agreement of such other qualifying entity to perform these insurance/risk-management program requirements for Borrower/Grantee with respect to such real property (and the portion of the Project to be constructed, located, completed or extended on such real property), which written agreement shall include an express statement by such other qualifying entity that the Lender/Grantor is a third party beneficiary of such written agreement.

Section 9.2 Non-Liability of Lender/Grantor.

(a) Lender/Grantor shall not be liable in any manner for the Project, Borrower/Grantee's use of the Loan/Grant, the acquisition, implementation, construction, installation, ownership, operation or maintenance of the Project, or any failure to act properly by the Borrower/Grantee or any other owner or operator of the Project.

(b) Lender/Grantor shall not be liable for the refusal or failure of any other agency of the State to transfer any portion of the Loan/Grant Amount in its possession, custody and control to the NMFA for disbursement to the Borrower/Grantee, or to honor any request for such transfer or disbursement of the Loan/Grant Amount.

(c) From and to the extent of the Pledged Revenues, and to the extent permitted by law, the Borrower/Grantee shall and hereby agrees to indemnify and save the NMFA harmless against and from all claims, by or on behalf of any person, firm, corporation, or other legal entity, arising from the acquisition or operation of the Project during the Agreement Term, from: (i) any act of negligence or other misconduct of the Borrower/Grantee, or breach of any covenant or warranty by the Borrower/Grantee hereunder; and (ii) the incurrence of any cost or expense in connection with the acquisition or operation of the Project in excess of the Loan/Grant Agreement proceeds and interest on the investment thereof. The Borrower/Grantee shall indemnify and save the NMFA harmless, from and to the extent of the available Pledged Revenues, and to the extent permitted by applicable law, from any such claim arising as aforesaid from (i) or (ii) above, or in connection with any action or proceeding brought thereon and, upon notice from the NMFA, shall defend the NMFA in any such action or proceeding.

ARTICLE X EVENTS OF DEFAULT AND REMEDIES

Section 10.1 Events of Default Defined. Any one of the following shall be an "Event of Default" under this Agreement:

(a) Failure by the Borrower/Grantee to pay any amount required to be paid under this Agreement on the date on which it is due and payable;

(b) Failure by the Borrower/Grantee to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Agreement for a period of thirty (30) days after written notice, specifying such failure and requesting that it be remedied, is given to the Borrower/Grantee by the Lender/Grantor unless the Lender/Grantor shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice can be wholly cured within a period of time not materially detrimental to the rights of the Lender/Grantor but cannot be cured within the applicable thirty (30) day period, the Lender/Grantor will not unreasonably withhold their consent to an extension of such time if corrective action is instituted by the Borrower/Grantee within the applicable period and diligently pursued until the failure is corrected; and provided, further, that if by reason of force majeure the Borrower/Grantee is unable to carry out the agreements on its part herein contained, the Borrower/Grantee shall not be deemed in default under this paragraph 10.1(b) during the continuance of such inability (but force majeure shall not excuse any other Event of Default); or

(c) Any warranty, representation or other statement by or on behalf of the Borrower/Grantee contained in this Agreement or in any instrument furnished in compliance with or in reference to this Agreement is false or misleading in any material respect;

(d) A petition is filed against the Borrower/Grantee under any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, and is not dismissed within thirty (30) days after such filing, but the NMFA shall have the right to intervene in the proceedings prior to the expiration of such thirty (30) days to protect their interests;

(e) The Borrower/Grantee files a petition in voluntary bankruptcy or seeking relief under any provision of any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, or consents to the filing of any petition against it under any such law; or

(f) The Borrower/Grantee admits insolvency or bankruptcy or its inability to pay its debts as they become due or is generally not paying its debts as such debts become due, or becomes insolvent or bankrupt or makes an assignment for the benefit of creditors, or a custodian (including, without limitation, a receiver, liquidator or trustee) of the Borrower/Grantee for any of its property is appointed by court order or takes possession thereof and such order remains in effect or such possession continues for more than thirty (30) days, but the NMFA shall have the right to intervene in the proceedings prior to the expiration of such thirty (30) days to protect their interests.

(g) Default by the Borrower/Grantee in performance or observance of any covenant contained in any other loan agreement, document or instrument of any type whatsoever evidencing or securing obligations of the Borrower/Grantee to the NMFA.

Section 10.2 Remedies on Default. Whenever any Event of Default has occurred and is continuing and subject to Section 10.3 hereof, the Lender/Grantor may take any or all of the following actions as may appear necessary or desirable to collect the payments then due and to become due or to enforce performance of any obligations of the Borrower/Grantee in this Agreement:

- (a) File a mandamus proceeding or other action or proceeding or suit at law or in equity to compel the Borrower/Grantee to perform or carry out its duties under the law and the agreements and covenants required to be performed by it contained herein;
- (b) Terminate this Agreement;
- (c) Cease disbursing any further amounts from the Project Account;
- (d) Demand that the Borrower/Grantee immediately repay the Loan/Grant Amount or any portion thereof if such funds were not utilized in accordance with this Agreement;
- (e) File a suit in equity to enjoin any acts or things which are unlawful or violate the rights of the Lender/Grantor;
- (f) Intervene in judicial proceedings that affect this Agreement or the Pledged Revenues; or
- (g) Cause the Borrower/Grantee to account as if it were the trustee of an express trust for all of the Pledged Revenues;
- (h) Take whatever other action at law or in equity may appear necessary or desirable to collect amounts then due and thereafter to become due under this Agreement or to enforce any other of its rights hereunder; or
- (i) Apply any amounts in the Project Account toward satisfaction of any and all fees and costs incurred in enforcing the terms of this Agreement.

Section 10.3 Limitations on Remedies. A judgment requiring payment of money entered against the Borrower/Grantee shall be paid from only available Pledged Revenues unless the Borrower/Grantee in its sole discretion pays the judgment from other available funds.

Section 10.4 No Remedy Exclusive. No remedy herein conferred upon or reserved to the Lender/Grantor is intended to be exclusive, and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Borrower/Grantee or the Lender/Grantor to exercise any remedy reserved in this Article X, it

shall not be necessary to give any notice, other than such notice as may be required in this Article X.

Section 10.5 Waivers of Events of Default. The Lender/Grantor may, in its sole discretion, waive any Event of Default hereunder and the consequences of any such Event of Default; provided, however, all expenses of the Lender/Grantor in connection with such Event of Default shall have been paid or provided for. Such waiver shall be effective only if made by a written statement of waiver issued by the NMFA. In case of any such waiver or rescission, or in case any proceeding taken by the Lender/Grantor, on account of any such Event of Default shall have been discontinued or abandoned or determined adversely, then and in every such case, the Lender/Grantor shall be restored to its former position and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other Event of Default, or impair any right consequent thereon.

Section 10.6 No Additional Waiver Implied by One Waiver. In the event that any agreement contained herein should be breached by either party and thereafter waived by the other party, such waiver shall be in writing and limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 10.7 Agreement to Pay Attorneys' Fees and Expenses. In the event that the Borrower/Grantee shall default under any of the provisions hereof and the NMFA shall employ attorneys or incur other expenses for the collection of payments hereunder, or the enforcement of performance or observance of any obligation or agreement on the part of the Borrower/Grantee herein contained, the Borrower/Grantee agrees that it shall, on demand therefor, pay to the NMFA the fees of such attorneys and such other expenses so incurred, to the extent such attorneys' fees and expenses may be determined to be reasonable by a court of competent jurisdiction; provided, however, that the obligation of the Borrower/Grantee under this Section shall be limited to expenditures from and to the extent of the available Pledged Revenues of the Borrower/Grantee.

Section 11.4 Amendments. This Agreement may be amended only with the written consent of both of the parties hereto. The consent of the NMFA for amendments not affecting the terms of payment of the loan component of this Agreement may be given by an Authorized Officer of the NMFA. The execution of any such consent by an Authorized Officer of the NMFA shall constitute his or her determination that such amendment does not affect the terms of payment of the loan component of this Agreement.

Section 11.5 No Liability of Individual Officers, Directors or Trustees. No recourse under or upon any obligation, covenant or agreement contained in this Agreement shall be had against any member, employee, director or officer, as such, past, present or future, of the Lender/Grantor, either directly or through the NMFA, or against any officer, employee, director or member of the Borrower/Grantee, past, present or future, as an individual so long as such individual was acting in good faith. Section 11.11 NMFA and Borrower/Grantee Representatives. Whenever under the provisions hereof the approval of the NMFA or the Borrower/Grantee is required, or the Borrower/Grantee or the NMFA is required to take some action at the request of the other, such approval or such request shall be given for the NMFA or for the Borrower/Grantee by an Authorized Officer of the NMFA or the Borrower/Grantee, as the case may be, and any party hereto shall be authorized to act on any such approval or request.

RE: Water Trust Board Project No. WPF-6621; Flood Prevention Project; Cantrell Dam breach & watershed drainage

Dear Mayor Hechler:

The Board of Directors of the New Mexico Finance Authority ("NMFA") met on May 22, 2025, to approve the final terms, structure and conditions of Water Project Funding in the amount of \$8,090,000 to the City of Truth or Consequences ("City") for its Flood Prevention Project. This action is a result of the Water Trust Board recommendations approved on April 22, 2025.

The approved funding structure consists of a 10% loan in the amount of \$809,000, and a 90% grant in the amount of \$7,281,000. The loan component is a 20-year term at a net effective interest rate of .25% (0% interest rate with an administrative fee component of ¼ of 1%). The loan and grant are to be used by the City for the construct flood control improvements including breach and storm drain.

To secure the funding agreement for the award, the City must submit the following Readiness to Proceed items **no later than September 30, 2025**, by email only to WTBAdmin@nmfa.net.

SUBMISSION OF READINESS TO PROCEED ITEMS

This funding is conditional, and the City must submit the following Readiness to Proceed ("RTP") items, as applicable, before the loan/grant agreement can be scheduled to close:

1. A monthly draw-down schedule of project expenditures, including Month and Year;
2. Verification of match in the amount of \$809,000;
3. Verification of approved plans/specification;

Compliance with the RTP process is required to secure the funding for this project. To prevent any delays in securing the funding, please begin preparing the RTP information upon receipt of this

notice. When all the RTP criteria have been submitted, outside counsel for NMFA will draft the funding agreement and will contact the City directly for closing arrangements.

Please contact me at WTBAdmin@nmfa.net or (505) 992-9688 if you have any questions regarding the RTP information.
